## ***Roadway Grinding Walden St (Richdale to Sherman)***

**Friday, October 24, 7 am to 5 pm**

- There cannot be any cars parked on street during this work. Please be sure to check “No Parking” signs to avoid being ticketed and towed.
- There will be periodic detours as equipment moves along the street. Signage and police details will be in place to assist during traffic disruptions, but drivers are encouraged to seek alternate routes.
- During the next 1-2 weeks, utility contractors will adjust the height of metal castings in the street.
- Asphalt pavement will be placed in 1-2 weeks. During paving, the street will likely have to be closed to all vehicles for one work day.

Please contact Rebecca Fuentes, Community Relations Manager, at (617) 349-6948/[rfuentes@cambridgema.gov](mailto:rfuentes@cambridgema.gov) for information or assistance during construction, including if you have any *special need* or *disability* that requires a special accommodation.

Thank you in advance for your patience and understanding during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

Rebecca Fuentes
